## BioKult Rosé

**Winemakers:** Biokult Wein, Michlits Family, Pamhagen/Austria

**Appellation:** Niederösterreich - Qualitätswein

**Varietal(s):** Blauer Zweigelt

**Production Area:** 55 hectares,

**Yield per Vine & Hectare:** 60 hl/ha

**Training system:** Normal classical trellising system, allowing optimal sun and air permeation

**Hectares of Production:** 20 hectares

**Vinification:** Classical rosé production, short maceration to give the optimal rosé coloring, very reductive using carbon gas to ensure best color retention

**Analytical Data:** 12.5%

**Ageing:** 7 months in steel tanks

**Tasting Notes:** pale amber pink color. Toasty strawberry-kiwi tart and melon aromas with a supple, dryish medium and a zesty, lightly smoky grilled lemon, nectarine skin and mossy stone finish. A fantastic food wine – Tastings.com

**Color:** Rose with slight violet hues

**Aroma:** Very appealing to many people as it is a light and easy to understand rosé. Light residual sugar giving it a very pleasant appeal

**Conservation Time:** Good Ageing potential (1 - 2 years)

### Notes / Certifications / Awards:

Largest producer of quality organic wines in Austria, good labels, stand out in the shelf, have a good appeal to them with a price-quality ratio. Wines from the Michlits family are some of the best selling organic products in Europe for the past years.
