2009 Vintage L de Lagarde Bordeaux Featured as a Top 100 Value Wine

Greetings!

Our **2009 vintage L de Lagarde Bordeaux** was the *only organic wine* to be featured as a Top 100 Value Wine Under \$35 in 2010 by Today's Bordeaux. The video below is a review of the wine by 'Le Wine Buff' and Wine.com's Rob Moshein, who sums it up best by saying:

"It's hard to find good organic Bordeaux. Here's one right here. I like it. You're going to like it. Drink it!"

We have very limited quantities of this special wine, from our partners at [Vignobles Raymond](#) in the Entre-Deux-Mers region of France. **L de Lagarde is one of very few organic winery initiatives in France, and is the most important ecological project by a French winery.** Not only are the vineyards organic, but there is also close to an acre of green buildings on the land and the winery employs many energy conserving and ecologically friendly practices throughout production.

The **wine pairs well with a variety of meats**. Here is another review from the [Organic Wine Examiner](#) that includes a great fall recipe to share with your customers for Braised Viennese Pork Roast.
