Tarantas 2007 Cava Brut

Rated by Wine & Spirits as

"One of the Year's Best Cavas"

90points

We are pleased to announce that the August 2010 issue of *Wine & Spirits* magazine will feature our **Tarantas Cava Brut**, rated a **90** and listed as **"One of the Year's Best Cava's."**

Tarantas Cava Brut, produced by Spain's oldest Estate Winery, Bodegas Iranzo, is elaborated with the three classical Cava grape varieties (**organic** Macabeu, Xarel·lo and Parellada) following the "champanoise method" and laid to rest for more than 9 months. The Cava is pale yellow, with small and constant bubbles. It's great for special for toasts, celebrations and light meals. Its complex aroma is fruity (apple) with some spice notes. The softness gives a great elegance.

We will be ordering *Wine & Spirits* shelf talkers and will be happy to send as many as you would like for your marketing efforts.

If you are not currently carrying this outstanding wine, please [contact us](#) for pricing details.
