

NSA Certified Organic Reds Make the Perfect Valentine's Day Treat

Dear Friends,

For those looking for the perfect wine to share with their loved ones, there is nothing sweeter for Valentines Day than sulfite-free, certified organic red wine. Now in stock is our [Spartico Spanish NSA Tempranillo](#), and La Cantina Pizzolato Italian [NSA Merlot](#), [Cabernet Sauvignon](#) and [Rosso Convento](#)-the first USDA Certified Organic No Sulfites Added (NSA) wines from these countries available for nationwide distribution. The wines are the first in the Natural Merchant's portfolio to carry the USDA Certified Organic Seal.

[Spartico](#) is made from Spain's most prominent and popular Tempranillo grape without the addition of any sulfites during production. Spartico is crafted by [Bodegas Iranzo](#) - Spain's Oldest Estate Bottled Winery. The first recorded written evidence of the vineyard estate Cañada Honda owned by the Iranzo Perez - Duque family dates back to 1335. Bodegas Iranzo, in the Utiel-Requena D.O. region of Spain, is one of first in Europe to receive organic certification and the first in Spain to receive USDA NOP certification. Francisco Gabaldón, the exclusive winemaker for Bodegas Iranzo, is also the Director of the most prestigious School of Enology in Spain Escuela de Viticultura y Enología de Requena.

La Cantina Pizzolato [Cabernet Sauvignon](#) [NSA](#), [Merlot NSA](#) and [Rosso Convento](#) (50/50 Merlot & Cabernet Sauvignon blend) wines (Piave

DOC) were developed by Settimo Pizzolato, a 5th generation winemaker. [La Cantina Pizzolato](#) estate is located in the rich and flourishing countryside in the north of Treviso, Italy. The NSA wines are developed using classic red vinification without the addition of sulfites. The best and healthy grapes are rigorously chosen and picked by hand. The fermentation is activated with selected yeasts and skin at a low temperature. The wine is then filtered and stored in steel tanks with a controlled temperature to avoid possible oxidations.

The [May issue of Wine Enthusiast](#) featured a review the Rosso Convento. These no sulfite added wines continue to receive accolades from distinguished wine critics when compared HEAD TO HEAD to their conventional counterparts.

"Rosso Convento is a 50-50 blend of Merlot and Cabernet made from organically grown fruit in northern Italy. This is a simple but genuine wine that would pair with easy pasta dishes or take-home pizza. The mouthfeel is firm, tight and streamlined."

- [M.L.](#) (5/1/2011)

NSA certified organic wines have grown in popularity in the United States and we offer unique, high quality Italian and Spanish selections that you can sell with confidence.

Pizzolato and Spartico NSA reds are available now in our warehouse. Please let me know if you have any additional questions about the wines or the family Pizzolato.

Sincerely,
